Day-to-day employment and HR issues can be a hassle for many businesses, and contacting your lawyer can add up costs quickly, which is where we come in. SwipeClock has partnered with myHRcounsel™ to offer an ondemand and online product with unlimited access to attorneys at a low flat-fee. With no hidden costs, no hourly fees, and no surprises, we can promise you'll save thousands in legal fees and potential liability.

For a low flat fee per employee per month, you can consult directly with experienced attorneys on all federal and state laws, policies, best practices and legal forms.

Consider the facts from a study of 446 closed cases involving employers with less than 500 employees.

\$125,000

Was the average cost of defense

\$200,000

Was the median judgement where the employer lost the claim

275

Days was the average length of the employment law matter

Can you afford to risk the time and money involved in an employment dispute?

You don't have to. Visit: myHRcounselcompliance.com/swipeclock and explore their hundreds of free forms, articles, and tips. Upgrade to our premium services whenever you want to have full access to attorneys and premium content.
