

# Simplified Time Tracking, Scheduling & PTO Management

1

## Time is Money

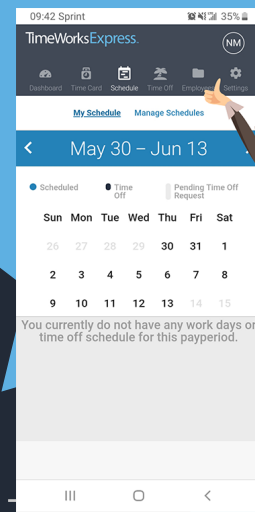

Join over 30,000 businesses who love and trust our time tracking. Intelligent time and attendance made simple! Employees can clock IN/OUT via any web-enabled device.

2

## Easy Scheduling

TimeWorksExpress provides smart scheduling for managers with busy schedules. Create and assign schedules within minutes, with system-generated alerts that keep you and your employees on time in real-time.

3

## Painless PTO

Take a timeout from manual time-off management. Manage your time off-requests, employee time-off balances, and accrual rates for efficient time-off management.

4

## A Complete Feature Set for Small-business Timekeeping

- Intelligent time tracking
- Scheduling
